discover more adventures here!

1

Marooned!

After a terrible thunderstorm your pirate ship was destroyed and you were forced to jump into a raft where you spent three long days. Just when you thought all hope was lost, your raft landed on a deserted beach on a small island. Could this be the Island of Nadaka?! You grab your riddle note and begin your search on foot! Explore the nearby shore to make sure no danger assails!!

Not Alone!

What is that?! You discover a shelter that has been built by someone who seems to have been stranded here like us! Could they still be here? Are they friendly? Did they manage to escape? Let's look around for clues and see who may have built it, and where they might be now!!

5

¡Victoria en el Jardín!

Under a giant sign that reads "Victoria's Garden" you find yourself face to face with an old man with a long green beard, wearing sunglasses and colorful Hawaiian shorts. "Ahoy There Matey!! Shiver me timbers! Glad te see yer! Its been a pence and a half since the last old salt came to visit looking to find some pieces of eight!!"

It's none other than Greenbeard himself!! He seems to have turned this treasure hunt into a way for inviting hopeful treasure hunters to come and visit him on the island! You sing chanteys until dawn on his Pirate Ship that was hidden in plain sight the whole time!! And now with a new friend and full belly you keep exploring the island finding new and exciting adventures everyday!
